Please provide the following information as a separate attachment.

1. List your extracurricular activities and dates of participation. Include participation in any professional societies and offices held.
2. List honors and awards and the dates when you received them.
3. Describe any employment or internships which relate to your career field. Include the number of hours worked per week.
4. Please answer the following in a brief (1-2 page, single-spaced) essay:

How is local government responsible for water quality? How can citizens support these responsibilities of local government?

I certify that I am a student in good standing at the institution listed above. If awarded, I understand that the scholarship funds are to be used for educational purposes only.
